

EMS Notes Privacy Policy

Jason Rice Media Solutions LLC operates EMS Notes, an application for Android and IOS platforms. This page informs you of our policies regarding the information sent from the application to our servers.

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Personal Information

We do not collect any personal information at all from a users device.

Transmitted data to our servers

You may choose to use the email option to send a report. The report will be sent to our servers where it is then emailed to only the address you specify. No data is stored on our servers after this process is complete.

Changes To This Privacy Policy

This Privacy Policy is effective as of 02-10-2017 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page. We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.
